Program Background

The Catalyst:

Gen Amos' query on low MSRC training numbers, empty training seats, and no-shows

- If you don't like the story, then tell it yourself
- Determined challenges:
  - No process to identify, report, or query rider population
  - No Corps-wide method to schedule, track, or report training demands and/or completed training
  - Motorcycle training responsibility on the individual rider
- 22 Sep MFP Motorcycle Training Conference
  - Requested by MCI-W, hosted by I MEF, facilitated by MFP
  - All MFP MSC's represented

COMMARFORPAC Guidance

Commanders shall:

- Establish procedures to ID riders/owners during unit check-in/check-out process
- Establish a process to self-report newly purchased or unreported ownership
- Schedule, track, and document initial and recurrent motorcycle training through the unit's operations department
  - Must become part of the service member's official training record
  - Capitalize on the unit's organic capability to manage training
- Conduct a self-assessment of the unit's Motorcycle Mentorship Program
  - MFPO 3500.2 Motorcycle Mentorship Program (MMP) to address HQMC mandates
  - A well run MMP can be a useful resource and force multiplier for the command
- Executive Officer, responsible for execution of the unit's safety policy, shall ensure compliance

COMMARCORBASESPAC Guidance

Installation safety offices shall:

- (Implied task) Provide tenant organizations with an inclusive training schedule
- Provide documentation of completed motorcycle training directly to each student's operations department
- Provide a no-show list to the unit's operations department

Intended outcome of our efforts:

- Allows commanders to prioritize all mandated unit training
- Capitalize on the unit's organic capability to manage training
- Unit-directed training takes the onus off the individual
- Affords the best opportunity for riders to receive training
- Training becomes part of the service member's official training record
- A means to query the status of all mandated tasks
